TECHNICAL INFO

Styles

Safety Doors come in many different styles – the most typical style is the Diamond Grille. For added character, choose from our Aluminium Castings, which are available in a range of different patterns, designs and colours. Some of these designs are shown below.

Mesh

Choose from a range of different meshes:

- Fibreglass: standard mesh
- Stainless steel: greater level of fire resistance
- One Way Vision Mesh (DVA): available in a wide range of powder coated colours. Creating a sense of privacy when it's lighter outside than it is inside.
- Paw proof mesh: a heavy duty fibreglass mesh capable of withstanding abrasions from most pets.
