

PRODUCT FACTSHEET

FLEXIBLE LIGHT CONTROL

Aluminium Venetian Blinds are the perfect solution for light control and complete privacy. They are easy to open and close and are perfect for wet areas. To ensure extra durability and strength, the aluminium slats are made thicker than market standards.

Colour

Choose your favourite colour from a selection of neutrals, pastels and vibrant metallic shades. Aluminium Venetians are also available in a range of finishes including Satin, Gloss, Matte, Brushed, Pearled and Thermostop.

Aluminium

With our extra-thick aluminium slats, you can count on durability and toughness.

Size

Choose the right width for your window from a range of three different sizes.

- 50mm slat
- 25mm slat (Slimline)

Benefits

Close up of Aluminium Venetians

Easy To Clean

Aluminium Venetians are easily cleaned with a feather duster and can be fastened with clips to prevent blowing in the wind.

Environmentally Friendly

Aluminium Venetians are made from 95% recycled materials.

Child-Safety

In order to keep little ones safe, we install child-safety devices on all products.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 Year Warranty.
