PANEL GLIDE

Technical Info

Hanging System

Each panel is anchored with a pocketed weight at the bottom, and it can be removed from the track for cleaning.

Operating System

Panel Glides are operated by a wand and can have a maximum of 10 panels in total, with 5 panels sliding to one side.

Fabrication

We use low-allergenic and fire-retardant fabrics wherever possible.

Fabric Choice

There are a vast range of Panel Glide fabrics to choose from. Ask your Sales Consultant or pop into a showroom to view the range.

Benefits

Easy to Clean

Panel Glide fabrics are easily spot-cleaned with soapy water.

Simple and Elegant

With crisp lines and simple functional design, Panel Glides are a more sophisticated solution than curtains.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 year warranty.
