RETRACTABLE FLYSCREENS

Technical Info

Style

There are two styles of Retractable Flyscreens:

- Rollaway Pleated Retractable (retract to the side)
- Rollup or Rollaway Retractable (retract to the top)

Stopping Points

Roll up and Roll Away Retractable Flyscreens can have stopping points added to the track, to allow the screen to be secured at various points along the track. Due to differences in design, pleated Retractable Flyscreens allow the screen to stop any point.

Reduced Trip Hazard

Rollaway pleated Retractable Flyscreen have a 4mm or 8mm bottom track, reducing the chance of tripping.

Mesh Types

Retractable Flyscreens are available with three different types of mesh:

- Plain mesh
- Striped mesh
- Pleated mesh (only available for Rollaway)

Pleated mesh makes the flyscreen more visible,

Benefits

Allows Airflow

Retractable Flyscreens keep bugs out, yet allows fresh air to pass through.
