

## PRODUCT FACTSHEET

### TRADITIONAL CHARM

Tasteful and timeless, Timber Venetian Blinds are perfect for any room. The slats and fine ladder cords offer a clear view, contemporary styling and guaranteed privacy, with the added benefit of saving energy by improving temperature control. We also offer Timber Look Venetians, an economical alternative to real wood Venetians. For extra convenience and safety, your Venetians can be fitted with a motor enabling you to control them via remote control.
