VERTICAL DRAPES

Technical Info

Fabric

Vertical Drapes are available in a wide range of fabrics and colours. Ask your Sales Consultant or visit a showroom to view the range.

Slat Sizes

Vertical Drapes are available with three slat sizes: 127mm, 100mm or 89mm.

Weights

There are three different types of weights: weights and chains, special weights, or sewn-in weights (see below).

Control Options

Vertical Drapes can be controlled via cord and chain or a wand.

Stack Options

Vertical Drapes are stacked depending on where the window opening is. This is shown below:

Benefits

Easily Replaced

Vertical Drapes are perfect for rental properties and families with pets, as single slats are easily replaced if damage occurs.

Colour Coordination

Tracks are colour-coordinated to match your chosen fabric. Vertical Drapes can be further customised with an insert fabric for the holding strip, or a fashionable pelmet.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 year warranty.
