

# PRODUCT FACTSHEET

## ELEGANT FABRIC FOLDS

The soft, subtle folds of the Roman blinds ensure your interior is elegant and sophisticated.

With the choice of adding battens, which are fitted with slim wooden strips along the horizontal joins of the fabric. Roman Blinds offer a lot of choice in style and fabric, enabling them to work in any space.

## ROMAN BLINDS

# Technical Info

## Control Options

Roman Blinds can be fitted with cord control, chain control, or they can be motorised.

## Fabric Type

Roman Blinds can be made with block-out fabric, light-filtering fabric or sunscreen fabric. Within these types, there is a vast range of colours, textures and patterns to choose from. Ask your Sales Consultant, or visit a showroom, to view the range.

## Batten Blinds

Batten Blinds are a form of Roman Blinds, but are fitted with slim wooden strips along the horizontal folds. Traditional Roman Blinds use discrete metal battens at the back of the blind to pinch the fabric together.
