

PRODUCT FACTSHEET

The Clever Curtain

Everyone loves curtains, they're elegant, soft, and stylish – but they're either open or closed. Veri Shades® unique patented design has the elegance and functionality of a blind and the privacy of a curtain. With the turn of a wand you can easily adjust the Veri Shades® to control and adjust light levels depending on the position of the sun, or privacy required.

Benefits

Functional

For seamless indoor-outdoor living, conveniently walk through the individual fabric vanes whether they are opened or closed.

Light Control

Provides daytime privacy whilst allowing a soft view through. Easily adjust the level of privacy and light to suit your requirements by rotating the fabric vanes halfway. To block light, close the shades completely.

Quiet

Free from noisy connecting chains and bottom weights, Veri Shades® operates quietly and softly settles back into position.

On Trend

Ideal for contemporary interiors, large windows and sliding doors, Veri Shades® is perfect for creating a statement feature across vast openings with their elegant vertical design.

Child-Safe

The lack of cords or cables adds an extra level of child-safety.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 Year Warranty.
