ALUMINIUM SHUTTERS

Technical Info

Style

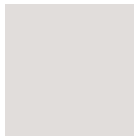

Aluminium Shutters can be made in a variety of styles such as Bi-Fold, Sliding, Fixed or Hinged. This ensures that there is a solution for any space.

Blade Size

Aluminium Shutters come with a standard blade size of 89mm.

Colour

Choose from four different colour options.

Pearl White

White Birch

Precious Silver

Black

Colours are for illustrative purposes and not an accurate representation, but are to act as a guide. Actual samples are available to view in a showroom.

UV Powder Coated Finish

Aluminium Shutters have a UV powder-coated finish, offering superior protection against the elements and making them a perfect outdoor solution. However, this does not stop them from being used indoors.

Benefits

Weather Resistant

Aluminium Shutters are incredibly durable with a powder-coated finish.

Stylish

Aluminium Shutters offer all the charm of Plantation Shutters in a weather-resistant finish.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 year warranty.
