PLANTATION SHUTTERS

Technical Info

Type

Choose from Hardwood, Basswood, Cedarwood or Fauxwood Shutters. When compared to other similar products, Fauxwood Shutters, have the appearance of real timber, with superior moisture tolerance.

Colour

Plantation Shutters are available in many different colours, ranging from whites and blacks to varying natural timber shades, both light and dark. Fauxwood Shutters are available in varying shades of white.

Style

Plantation Shutters can be made in a variety of styles such as Bi-Fold, Sliding, Fixed or Hinged. Plantation Shutters can also be made to fit arched, triangular or angled windows. Plantation Shutters can also be made with independently operated top and bottom halves.

Blade Size

Three different blade sizes are available. Choose between 63mm, 89mm or 114mm wide blades.

Benefits

Range of Styles

With numerous styles and colours available, Plantation Shutters can be highly customised to suit any room.

Insulating

Excellent insulating properties help keep your home warm in winter and cool in summer.

Child-Safe

Plantation shutters are safe with children because there are no cords.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a 3 Year Warranty.
